

Quests of the Rogue Order

Fan Community Projects

Summary:

Morality tales, such as those featured in the Star Wars stories, with heroes, adventures, villains and sacrifice often inspire others to be more heroic, altruistic and courageous.

To complete this quest, investigate through the charities and non-profit organizations with good causes championed by fans of the Star Wars franchise. Choose a cause to support. Make a donation, volunteer at an event, or otherwise contribute to the cause in a meaningful way (beyond simply sharing the cause on social media or with others.)

Community Impact:

The most important of these fan-related charities make a real difference in the lives of individuals who are living with disability, illness, or who are otherwise in need of support from others. The world usually becomes a better place in simple ways, one improved life at a time.

Steps & Instructions:

- Use the [RSA's community forum](#), the links below (listed in no particular order), or do your own search to find a Star Wars themed charity, nonprofit organization or other entity championing a noble and altruistic cause:
